

Servaas van der Berg: Curriculum vitae

(Professor of Economics and South African Research Chair in the Economics of Social Policy, University of Stellenbosch; heads policy research group ReSEP (Research on Socio-economic Policy, <http://resep.sun.ac.za/>))

Personal:

Born Durban, South Africa 3 January 1953; married, and has three children.

Studies:

- Port Natal High School, Durban [Matriculation 1970]
- University of Natal (Durban) [BCom 1973, BComHons(Economics) 1974]
- University of Pretoria [MCom(Economics) 1980]
- University of Stellenbosch [PhD 1987]

Career:

- 1975-76 journalist with *Oggendblad*, specialising in municipal reporting
- 1976-80 researcher at Benso (later incorporated into Development Bank of Southern Africa)
- Co-founding editor of *Development Studies Southern Africa*, academic journal of the Development Bank of Southern Africa
- Secondments to University of Zululand (1979) and to Parliament (1980)
- Joined Department of Economics at University of Stellenbosch in 1982; presently Professor of Economics
- Alexander von Humboldt Fellow
- Awarded National Research Foundation (NRF) Research Chair in the Economics of Social Policy, 2008-2012, renewed again in 2013
- Sabbaticals:
 - Sabbaticals in 1988 and 1994 at University of Freiburg, Germany on an Alexander von Humboldt Scholarship, doing comparative research on social spending in economic development.
 - Sabbatical in 1994 on a World Bank consultancy in Washington, D.C., researching issues related to South African social security.
 - Sabbatical in 1999 at the Catholic University of Leuven, Belgium, working on poverty issues.
 - Sabbatical in 2004 at Arnold Bergstraesser Institut, Freiburg, Germany, on an Alexander von Humboldt Scholarship, working on education and economic development.
 - Sabbatical in 2007 at Arnold Bergstraesser Institut, Freiburg and at Göttingen University, Germany, on an Alexander von Humboldt Scholarship
- Guest lectures and seminars at various European universities
- In 2007 became the first Fellow from Africa of the International Academy of Education
- Fellow of IZA (Institute for the Study of Labour, Bonn)
- Member of Questionnaire Expert Group of OECD project on PISA for Development, an initiative to introduce an international education assessment similar to PISA for developing countries

Research and professional involvement:

- Research/publications on economic development and structural issues, e.g. income distribution, poverty, social policy, education, social security, public finance, social spending, basic needs, migration, unemployment, informal sector, economic growth, energy, and regional development
- Since 1987 involved in economic debate with ANC in exile. Founded Association of Democratic Economists, a Western Cape policy discussion group, and Stellenbosch Economic Project to stimulate debate on post-apartheid economy
- Spent July/August 1987 at Central Economic Advisory Services to assist in drawing up economic development programme for South Africa
- Visited USA in July 1991 on invitation from US Information Agency to study American social policy and anti-poverty programmes
- Serves/served on various advisory committees, e.g. Questionnaire Expert Group for PISA for Development, for Departments of Finance and of Welfare, National Consultative Retirement Forum (chaired Task Group on Social Assistance), MERG (Macro-economic Research Group), Urban Foundation, Central Economic Advisory Services, HSRC Investigation into Intergroup Relations, HSRC National Co-operative Project on South African Youth, National Education Think-Tank, research committee of Umalusi (education certification body), Scientific Committee of SACMEQ (Southern and Eastern African Consortium for Monitoring Educational Quality)
- Asked in 1993 by the ANC to serve on the advisory committee for MERG (the Macro-economic Research Group) to assist in drawing up a post-transition economic policy

- Steering committee member of World Bank sponsored national *Project for Statistics on Living Standards and Development* (PSLSD, 1991-95), the first national survey to incorporate all former homelands
- Spent April-June 1994 at World Bank as consultant on South African social security
- Participant in 1995 Training of Trainers course for Anglophone Africa at World Bank Economic Development Institute. Subsequently involved in World Bank training courses for government officials from Southern and Eastern Africa on fiscal policy and on poverty analysis and policy.
- Involved for a number of years in Economics training for Parliamentarians, starting in 1995
- Undertook research that led to appointment of the Lund Committee. Member of Lund Committee of Investigation into Child and Family Support 1995-6 that devised new system of child support benefits for SA
- Responsible for the new means test for old age pensions and disability grants in 1996, and devised means test for Child Support Grants in 1997 with Yesgedullish Amde and Debbie Budlender
- Member of technical team that drew up South Africa's Macro-economic Strategy, *Growth, Employment and Redistribution* ("GEAR") in 1995-6
- Chairman of Social Assistance subcommittee of National Consultative Retirement Forum, 1997-98
- Economic advisor to Western Cape Treasury 1997-2003
- Responsible for research that determined allocation of Western Cape school subsidies in accordance with the national Norms and Standards legislation
- Member of executive committee of African Economic Research Consortium's (AERC) collaborative project on poverty, income distribution and labour markets and member of South African team that worked on this topic. In May 1998 organised AERC Workshop on Poverty Research for economists from Africa in Cape Town.
- Presented videoconferencing training course in association with World Bank Institute and various African universities and economic institutes in 1999 and 2000
- Co-ordinator of expenditure incidence leg of major study for Department of Finance on fiscal incidence in South Africa, 1999-2000, funded by Deutsche Gesellschaft für Technische Zusammenarbeit (GTZ)
- Research co-ordinator of research project on rural poverty in South Africa for FASID (Foundation for Studies in International Development) as part of a broader international study of rural poverty in Africa and Asia
- Wrote background paper for World Bank's *World Development Report 2004 (Making services work for poor people)* on South African experience with social service delivery to the poor
- Member of team commissioned by Western Cape Treasury to undertake feasibility study on the introduction of a fuel tax levy in the Western Cape
- Former member of Research Committee of Umalusi, the national education certification body
- Served on Ministerial Committee investigating learner retention in South African schools, 2007/8
- Member of PISA for Development Questionnaire Expert Group, 2015

Current major projects:

- *Binding constraints in education*, a multi-part study financed by PSPPD (Project to Support Pro-Poor Policy Development), a partnership project between the South African Presidency and the European Union. This multifaceted project is investigating all facets of the school education system to assist in identifying the major constraints to improved learning in schools.
- Study forming part of GROW project (*Growth and the Empowerment of Women*) in collaboration with the universities of Göttingen, Wageningen, Delhi and Cape Town, funded by IDRC and DFID
- *Literacy and numeracy in the Foundation phase*, a study for the Zenex Foundation.
- *A Human Resource Development Plan for the Namibian education sector*, funded by UNICEF.
- An analysis of flow through and performance in the Western Cape education system, using CEMIS data (learner units records) for the Western Cape Education Department.
- An analysis of *Out-of-School Children in Namibia*, funded by UNICEF.
- *Education and social mobility*, a further study financed by PSPPD, to investigate both performance above expectations in schools and how educational performance is related to labour market outcomes.
- *Projecting the demand for education in the five countries of the Southern African Customs Union*, part of a World Bank project on the impact of demographic change in Southern Africa.
- *Training courses for education district officials* from the provinces, funded by UNICEF.
- *Education data analysis for senior policy makers in the DBE and provinces*, a course presented with support from DBE and PSPPD.
- Analysing the performance of low fee private schools, a study funded by the Millennium Foundation and Omidyar

Work as consultant inter alia for:

World Bank, UNICEF, United Nations Development Programme (UNDP), United Nations University, Development Bank of Southern Africa, Urban Foundation, Idasa, African Economic Research Consortium (AERC), African

Institute for Policy Analysis (AIPA), Centre for Development and Enterprise (CDE), various government departments, Parliamentary Standing Committee on Finance, Western Cape government, and private sector institutions.
