WORK IN  
PROGRESS

- The effect of a paid parental leave reform on children's health - evidence using administrative data (jointly with Mathias Hübener and Katharina Spieß).
- The effect of early child care on children's cognitive and non-cognitive skills (joint with Michael Oberfichtner).
- Complementarities of investments in children (joint with Kamila Cygan-Rehm and Krzysztof Karbownik).
- Evaluating the housing, health, and service outcomes of an intensive support program for the chronically homeless in Australia (jointly with Yi-Ping Tseng, Guy Johnson, Sharon Parkinson).
- The evolution of the cognitive and non-cognitive skill gap (jointly with Stefanie

Schurer).

TEACHING  
EXPERIENCE

University of Erlangen-Nürnberg

- Lecturing: Advanced Econometrics - panel and evaluation methods (Masters): Winter term 2016/17.
- Lecturing: Introduction to Econometrics (Bachelors): Summer term 2016.
- Lecturing: Introduction to Econometrics (Masters): Winter term 2015/16.
- TA for Econometrics (Masters): Winter term 2011/12, Winter term 2012/13, Winter term 2013/14.
- TA for Econometrics (Bachelor): Summer term 2012, Summer term 2013, Summer term 2014.
- Supervision of theses: BA (8x), MA(1x).

INVITED  
ACADEMIC  
PRESENTATIONS

- 2017 (scheduled) : Ludwig Maximilian Universität München.
- 2016: Northwestern University; University of Sydney; University of Melbourne; ZEW Mannheim; SFI Kopenhagen; CINCH Essen; RWI Essen.
- 2015: Monash University, Australia.

ACADEMIC  
PRESENTATIONS  
(\*=PRESENTATION  
BY CO-AUTHOR)

- 2017 (accepted): 1st IZA Workshop on Gender and Family Economics, Bonn, Germany; IZA Workshop on Social and Welfare Consequences of Unemployment\*, Bonn, Germany; Spring Meeting of Young Economists 2017, Halle, Germany; Royal Economic Society Annual Conference, Bristol, UK;
- 2016: European Society for Population Economics (ESPE), Berlin, Germany; European Association of Labour Economists (EALE), Ghent, Belgium; National Educational Panel Study (NEPS) User Conference, Bamberg, Germany; 4th Network-Workshop of the DFG Priority Programme 1764, Mannheim; ce<sup>2</sup> workshop, Warsaw.
- 2015: European Economic Association (EEA), Mannheim; European Society for Population Economics (ESPE)\*, Izmir, Turkey; Field experiments in labor economics and social policies\*, Paris, France; 3rd Network-Workshop of the DFG Priority Programme 1764, Düsseldorf.
- 2014: European Society for Population Economics (ESPE), Braga, Portugal; European Association of Labour Economists (EALE), Ljubljana, Slovenia; 11th International German Socio-Economic Panel User Conference, Berlin, Germany; 1st Network-Workshop of the DFG Priority Programme 1764, Mannheim; Brown Bag Seminar at the Melbourne Institute of Applied Economic and Social Research , Melbourne, Australia.
- 2013: European Society for Population Economics (ESPE), Aarhus, Denmark; Econometric Society European Meeting (ESEM), Gothenburg, Sweden; European Association of Labour Economists (EALE), Turin, Italy; 16th BGPE Research Workshop, Bamberg, Germany.
- 2012: European Society for Population Economics (ESPE), Bern, Switzerland; Brown Bag Seminar at the Melbourne Institute of Applied Economic and Social Research , Melbourne, Australia.
- 2011: Econometrics Society Australasian Meeting (ESAM), Adelaide, Australia; Department of Education, Employment and Workplace Relations (DEEWR), Canberra, Australia.
- 2010: 32nd Australian Conference of Health Economists (AHES), Sydney, Australia.

RESEARCH VISITS

- Northwestern University, October 2016.
- University of Sydney; February 2016, April 2015.
- University of Melbourne; February 2016, April 2015, March/April 2014, March 2013, October 2012, March 2012.

WORKSHOP  
ATTENDANCE

- Summer School in Labor Market Research, organized by the DFG Priority Programme 1764, Mannheim, Germany, 14-19 September 2015.
- "Data visualisation and health econometrics" workshop by Andrew M. Jones, BGPE course, Muggendorf, 7-12 September 2014.
- IZA European Summer School in Labor Economics, Buch a. Ammersee, Germany, 12-19 May 2014 (lecturers: Richard Blundell and Mirjam van Praag).
- CINCH Academy - The Essen Summer School in Health Economics, Essen, Germany, 24-30 May 2014 (lecturers: Michael Lechner and William Greene).
- Course in "Empirical Labour Market Research" by Boris Hirsch, University of Erlangen-Nuremberg 2013/2014.
- "Advanced econometrics" workshop by Colin Cameron, BGPE course, Muggendorf, 22-25 July 2013.
- "Methods of Policy Evaluation", GradAB course, Nürnberg, 26th April, 2013.
- Advanced STATA workshop by Christopher Baum, University of Melbourne, 24-25 June 2010.
- Training Workshop in Health Econometrics by Andrew M. Jones, University of Melbourne, 7th April 2010.
- Count data workshop by Pravan Trivedi, University of Melbourne, 22-23 July 2009.

FUNDRAISING

- Euro 19,955 for 1 year from the German Research Foundation (DFG) for a seed-fund project (February 2015).
- Euro 815 from the DAAD (German Academic Exchange Service) for a travel grant to the EALE 2014 in Slovenia (September 2014).
- Euro 400 from FAU Erlangen-Nuremberg, 'junior researcher award' (July 2014).
- Euro 788 from the DAAD (German Academic Exchange Service) for a travel grant to the ESEM 2013 in Sweden (August 2013).

WORKSHOP  
ORGANISATION

- "Examining the sources and consequences of inequality: the effects of early childhood conditions on children's outcomes from a comparative perspective" (joint with Kamila Cygan-Rehm and Krzysztof Karbownik), 30-31 August 2016. Keynote speakers: Kjell Salvanes, Diane Whitmore-Schanzenbach.

REFEREEING

- Journal of Health Economics (4x), Journal of Applied Econometrics (1x), Health Economics (1x), Evaluation and Program Planning (1x), Journal of Happiness Studies (2x), Socio-Economic Review (1x).

SOFTWARE

- STATA
- L<sup>A</sup>T<sub>E</sub>X
- some experience with R, Julia, Matlab, LimDep, Eviews, SPSS.
